

OPPENHEIMER HOLDINGS INC.
SEPTEMBER 2015

Presented by:

Robert Lowenthal

Senior Managing Director, Chairman of Management Committee

Jeffrey Alfano

Executive Vice President & Chief Financial Officer

SAFE HARBOR STATEMENT

This presentation and other written or oral statements made from time to time by representatives of Oppenheimer Holdings Inc. (the “company”) may contain “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements may relate to such matters as anticipated financial performance, future revenues or earnings, business prospects, new products or services, anticipated market performance and similar matters. The Private Securities Litigation Reform Act of 1995 provides a safe harbor for forward-looking statements. The company cautions that a variety of factors could cause the company’s actual results to differ materially from the anticipated results or other expectations expressed in the company’s forwarding-looking statements. These risks and uncertainties include, but are not limited to, those risk factors discussed in Part I, “Item 1A. Risk Factors” of our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 (the “2014 Annual Report”). In addition, important factors that could cause actual results to differ materially from those in the forward-looking statements include those factors discussed in Part II, “Item 7. Management’s Discussion & Analysis of Financial Condition and Results of Operations – Factors Affecting ‘Forward-Looking Statements’” of our 2014 Annual Report. Any forward-looking statements herein are qualified in their entirety by reference to all such factors discussed in the 2014 Annual Report and the company’s other SEC filings. There can be no assurance that the company has correctly or completely identified and assessed all of the factors affecting the company’s business. The company does not undertake any obligation to publicly update or revise any forward-looking statements.

GROWTH STRATEGY

Oppenheimer is pursuing a number of initiatives to grow our client base and revenue streams, while also leveraging our operations to improve profitability.

- Refining operations and increasing productivity within our core businesses
- Developing new product offerings
- Adding the right resources – recruiting and retaining top talent
- Focusing resources on secular shift from transaction to fee-based accounts
- Seeking accretive acquisitions that fit our model

INVESTING IN REGULATORY COMPLIANCE

Oppenheimer has spent a significant amount of time and resources to address legal, compliance & regulatory matters.

- Tone at the Top & Compliance Regime
- Appointment of qualified leadership
- Increased staffing of regulatory & compliance groups
- Purchase & development of technology applications
- Enhanced review of employment practices
- Compliance with new regulatory requirements

People

- Structural and leadership changes
- Increased staffing in broker-dealer and investment advisory compliance departments
- New AML officer and increased staffing in AML department
- New Corporate Information Security Officer

Process

- Established committees and working groups to address new initiatives
- Enhanced policies and procedures
- Developed new reports for management and compliance

Technology

- Implementing new technology to replace legacy systems that support asset management business
- Continue to develop new and enhance existing applications across the firm
- Engaged additional vendors to assist with enhancing “Know Your Client” and AML procedures

WE CONTINUE TO ADDRESS THE ARS MATTER

- Auction Rate Securities (“ARS”) failed in Feb. 2008 with over \$330B outstanding in market
- Oppenheimer clients held \$2.8B in Feb. 2008
- Settlement with New York Attorney General and Massachusetts Securities Division in Feb. 2010
- ARS purchased from clients under regulatory settlements totals \$106.7M through June 30, 2015
- Eligible investors for future buybacks under the settlements with the regulators held approximately \$85.3M of ARS as of June 30, 2015
- Commitments to purchase under legal settlements and awards as of June 30, 2015 was \$16.7M

ARS Holdings

POSITIONED WELL FOR A RISING INTEREST RATE ENVIRONMENT

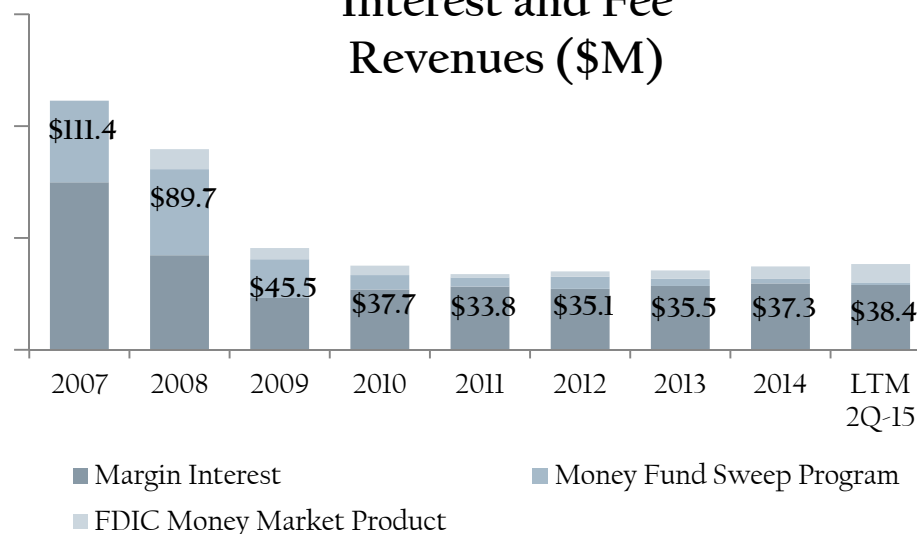

- Low interest rates have had significant impact on interest and fee revenues
- Gross interest revenues down approximately \$74M annually since 2010 due to low interest rates
- Firm's interest rate sensitive products:
 - Cash sweep balances
 - Margin lending
 - Firm investments (Auction Rate Securities)
- As of June 30, 2015, the Firm has consolidated its money market funds into the FDIC-insured bank deposits
- Market indicates that the Federal Reserve will raise rates before year-end

Cash Sweep Balances* (\$M)

*Money market funds plus FDIC-insured bank deposits

Interest and Fee Revenues (\$M)

WHY OPPENHEIMER

- Oppenheimer has a strong history
- The firm has navigated through a difficult environment
- Our client assets are near all time highs
- Our business model is low risk and well diversified
- We are poised to benefit from a rising interest rate environment
- We are investing in our future and well-positioned for growth
