

Eight Oppenheimer Analysts – More Than Any Other Firm – Named Among TipRanks’ Top 25 Wall Street Analysts

Eight of Oppenheimer & Co. Inc.’s equity research analysts have been rated by and included in the research provider TipRanks’ Top 25 analysts as of May 2016. These analysts were among their top choices out of a total pool of 3,904 individuals. No other firm received as many mentions on this elite list.

The equity analysts demonstrate the Firm’s depth and research acumen across a variety of sectors:

Senior Analysts	Title	Sector/Industry	Ranking
Brian Bittner	Managing Director	Restaurants	21
Christopher Glynn	Managing Director	Industrial Multi-Industry	1
Glenn Greene	Managing Director	Financial Technology & IT Services	2
Steve Manaker	Managing Director	REITs	7
Rupesh Parikh	Executive Director	Food, Grocery & Consumer Products	25
Scott Schneeberger	Managing Director	Industrial & Business Services	14
Brian Schwartz	Managing Director	Saas/Applications Software	10
Michael Wiederhorn	Managing Director	Healthcare Providers & Services	3

TipRanks’ founders started their research service because they believed investors should be able to review a market analyst’s track record the way sports fans can evaluate their favorite players. The research provider employs a variety of selection criteria, including: the sector each analyst follows; the analyst’s rank within the sector; the success rate of each analyst’s recommendations; the distribution of buy, sell, and hold recommendations; and the recommendations’ average return.
