

## Press Release

### OPPENHEIMER & CO. INC. CONCLUDES ITS TWENTY-EIGHTH ANNUAL HEALTHCARE CONFERENCE IN NEW YORK CITY

**New York, March 22, 2018** – [Oppenheimer & Co. Inc.](#) (“Oppenheimer”) – a unit of Oppenheimer Holdings (NYSE: OPY), recently hosted its 28th Annual Healthcare Conference in New York City on March 20 and 21, 2018. The two-day conference brought together leading public and private companies across major sectors of the healthcare industry, including Novartis, Nektar, Vertex, Seattle Genetics, Medtronic, Centene, Cigna, and Humana. Dr. Gillian Woollett with Avalere offered the keynote presentation on Tuesday while Marwood Group offered the keynote Wednesday.

Through company presentations, 1on1 and group meetings, and panel lectures, the event provided investors with insights on important issues such as health reform implementation, Medicare and Medicaid policy changes, drug regulation, and new pharmaceutical and biotechnology products. In total, there were seven panels, with two focused on financing and five focused on emerging healthcare issues and trends, including the opioid crisis and precision medicine, alternative public offerings, next steps on cancer cell therapy, and the evolving CAR-T therapy landscape.

The conference featured Oppenheimer’s Senior Research Analysts who offered guidance on many aspects of the healthcare sector, including the following:

- Derek Archila, Executive Director and Senior Analyst covering Bio & Specialty Pharmaceuticals
- Mark Breidenbach, PH. D., Executive Director and Senior Analyst covering Biotechnology
- Leah Cann, Managing Director and Senior Analyst covering Biotechnology
- Leland Gershell, Managing Director and Senior Analyst covering BioPharmaceuticals
- Steven Lichtman, Managing Director and Senior Analyst covering Medical Devices
- Mohan Naidu, Managing Director and Senior Analyst covering the Healthcare Information Technology (HCIT) sector
- Jay Olson, Executive Director and Senior Analyst covering Biotechnology
- Hartaj Singh, Managing Director and Senior Analyst covering Biotechnology
- Michael Wiederhorn, Managing Director and Senior Analyst covering Healthcare Providers and Services

“Oppenheimer’s conference is strategically designed to help investors better understand the complex dynamics of today’s healthcare industry,” said Erica L. Moffett, Managing Director and Head of Research Marketing Services. “With new advancements in technology revolutionizing the healthcare and pharmaceutical business, our clients, now more than ever, rely on our expertise to help them better understand the industry. The conference agenda promotes education and learning so investors leave with key insights to help their portfolios.”

The event was sponsored by a number of leading Firms including Equisolve, Lowenstein Sandler LLP, Mintz, Levin, Cohn, Glovsky & Popeo P.C., Sullivan & Worcester LLP, Ellenoff Grossman & Schole LLP, FactSet Research Systems Inc., M2 Compliance, Marcum LLP, Mayer Hoffman McCann, Sichenzia Ross Ference Kesner LLP, and Toppan Vintage.

Oppenheimer’s next [conference](#) will be the 13th Annual Industrial Growth Conference, which will be held May 8-9, 2018 in New York City. Also held in New York is the 3rd Annual Emerging Growth Conference on May 15, 2018.
