**OPPENHEIMER'S 3RD ANNUAL U.S. INVESTOR CONFERENCE—
SENIOR MANAGEMENT AND EUROZONE INVESTORS MET ONE-ON-ONE IN LONDON**

London, February 11, 2013 – Oppenheimer & Co. Inc., a unit of Oppenheimer Holdings (OPY:NYSE), held its Third Annual U.S. Equities Investor One-on-One Conference in London on February 6, 2013. More than one hundred senior investment professionals from over fifty top-tier UK and Continental European institutions attended. The conference hosted more than 200 meetings throughout the day for approximately 20 participating U.S. domiciled companies.

The conference format consisted entirely of small one-on-one and group meetings. A key attraction of the conference for management was that it provided them with the opportunity to meet investors from Europe and the UK.

Company managements greatly valued the opportunity to meet with both specialists in their industry as well as generalist portfolio managers. A number of Oppenheimer's analysts were also present to reach out to investors and companies in their own specializations. Among them were: Ian A. Zaffino, CFA – Managing Director and Senior Analyst - Special Situations, Chris Glynn – Managing Director and Senior Analyst – Industrial Multi-Industry, Shaul Eyal Managing Director and Senior Analyst – Communication and Infrastructure Software and Carter Worth – Managing Director and Chief Market Technician.

"This opportunity to share ideas and contacts proved very useful to all participants," commented Sherry Giessen, Managing Director – Global Head of Corporate Access

Oppenheimer's next conference, "Cloud Computing/Services One-on-One Conference," will take place on March 6, 2013 in New York. This conference will feature 10-12 companies in the cloud computing space. The one-on-one format will offer our top institutional investors an intimate view into senior management's challenges and successes in this sector.

Conferences are only open to established institutional clients of Oppenheimer & Co. Inc. For more information, please contact your Oppenheimer & Co. Inc. institutional sales representative.
